SALARY: \$33,828.50 - \$54,309.84
LIBRARIAN II

MAJOR FUNCTION: Professional and supervisory library work which involves the responsibility for the administration and effective operation of a minor division of the Library System.

KNOWLEDGE, ABILITIES AND SKILLS NEEDED TO PERFORM THE ESSENTIAL JOB FUNCTIONS OF THE POSITION:

Knowledge: Knowledge of professional library principles, methods, materials, practices and techniques. Knowledge of current literature, trends, and developments in the field of library and information science appropriate to the areas of assignment. Knowledge of library reference materials and tools of research. Knowledge of a variety of books and authors, and of reader interest levels. Basic knowledge of computers and their application in the library.

Abilities: Ability to analyze administrative library problems, and to make recommendations for their solution. Ability to plan, organize and direct the work of a small group of professional, sub-professional, and clerical subordinates. Ability to interpret library policies and objectives to community groups, public officials and the general public. Ability to maintain fiscal and administrative records and to prepare reports. Ability to express ideas effectively orally and in writing. Ability to establish and maintain effective working relationships as necessitated by work assignments. Ability to input data into a computer terminal.

ESSENTIAL JOB FUNCTION: Supervises and participates in technical and professional library activities in ordering, cataloging, classifying and indexing books, documents, and periodicals. Develops cataloging procedures and gives instructions in cataloging techniques. Classifies and catalogs printed and non-print library materials following national standards, assigning appropriate standard subject headings. Researches and creates online authority records for database uniformity and cross-reference generation. Supervises Bookmobile service programs. Initiates community contacts in the interest of the Library System. Supervises staff development and training. Provides reader advisory for Library patrons. Confers with Library patrons about complaints or other public relations matters. Compiles lists of expenditures and book ordering for a specified program or division. Reviews periodical and book lists and recommends periodicals and books for purchase. Supervises and participates in activities related to children's, special or technical services. Instruct personnel in the use of the Library facilities such as online catalog searching, subject bibliographies, and reference tools and techniques. Instruct personnel in the safe operation of Library equipment and maintenance of the Bookmobile. Presents talks on books and Library services before community groups. Performs related work as required.

ESSENTIAL PHYSICAL SKILLS: Very frequent use of good near vision, good hearing. Occasional walking and standing. Ability to lift occasionally 30 pounds.

ENVIRONMENTAL CONDITION REQUIREMENTS: Constant work inside the library facility in a sedentary position. Some areas of the library facilities have high dust levels, which may cause allergic reactions. Occasional stressful interactions with irate patrons.

WORK HAZARDS: Possible vision dysfunction due to heavy computer work.

EDUCATION: Master's degree in Library/Information Science from a college or university accredited by the American Library Association.

EXPERIENCE: Relevant library experience or any equivalent combination of acceptable training and experience for the specific job assignment.

LICENSE, CERTIFICATION OR REGISTRATION: Valid Florida Driver's License may be required.
